

T É R E S

OUR WINES

As with nature, great Cabernet Sauvignon is an expression of many elements working in harmony. Offering the perfect convergence of geology and geography, this biodynamically farmed mosaic of 27 acres on our 76 acre Howell Mountain estate, creates a rich tapestry of elements from which to craft our wine. Elegantly combining grapes from each of our ten blocks, TERES is a field blend of uncompromising quality.

"It starts off at a fine point and expands to fill the palate with rich, silky texture."

~Philippe Melka

2013 T É R E S

Pure and polished, with the structure of a classic Bordeaux, this wine eloquently combines Cabernet Sauvignon from our Estate with a limited selection of fruit from Napa Valley's most esteemed vineyards. Upon opening, the 2013 TERES immediately bursts from the glass with notes of fresh red fruits, rich cassis, and graphite. It is a very lively and electric wine. On the palate, the TERES is voluptuous, fleshy and smooth, backed by brightness and rounded by an elongated finish that leaves one intrigued for continued exploration.
